

Sam Hopkins talking to **Clint Smoke** about his module and the Lionel engines he brought to our November 5th meeting

Pictures of Sam Hopkins
Lionel O Gauge module

Any members that are interested in 3 rail O gauge. Certainly there may be a few 'closet Lionel' types, who are just in denial about the center rail...

If you would like to get together with Sam, [email](#) him.

CLOSE UP VIEWS OF SAM'S ENGINES AND MODULE
